Position: Primary Care Physician

Full time, Part time, and Locum Positions Available

The Niagara Falls Community Health Centre is a collaborative, inter-professional health care team that strives to service the broad community of Niagara Falls with a specialized focus on those populations that have barriers to care including mental health and addictions. Our team is currently seeking a full time Family Physician with strong clinical skills who is excited by working in a team environment lead by an administrative leadership team. All our team members require a commitment to client-centred service, a strong interest in quality improvement, a desire to work collaboratively and excellent communication skills.

Expectations:

- Desire to work on quality improvement initiatives about clinical processes
- To work one evening per week and one Saturday morning per month in the CHC walk-in clinic
- To provide care for the most medically complex patients within the CHC
- To achieve care provision/screening quotas set out by the local LHIN

Qualifications:

- License to practice medicine and membership in good standing with the College of Physicians and Surgeons of Ontario and the OMA
- Demonstrated experience in a community-based primary care setting
- An understanding of the physician role within CHC model of care
- Ability to work effectively as a peer within an interdisciplinary team of clinical and program staff
- Experience in working with low income families, seniors and those with addictions
- Strong interest in the area of Mental Health

NFCHC offers an excellent compensation plan

Interested, qualified candidates are asked to submit a resume to the Health Program Director at LBlundell@nfchc.ca . We thank all applicants, however, only those selected for an interview will be contacted.
